Maxine Kohlhagen and I attended the Matilda St Gallery, Macksville for the opening of "A Passion for Printmaking" An Exhibition of art works by our Coffs Coast Printmakers, Jenny Thorby, Juliet E Tilson and Catherine Eadie.

Several artworks were on display, ranging from Drypoint Etching, Aluminium Etching, Linocut and wood engraving

The skill and detail within the prints exhibited by the three artists is amazing.

The opening was well attended and it was good to see many of our Coffs Coast printmakers there.

I encourage all CHCAG members, if they are travelling down to Macksville or perhaps take a drive to go view the artworks and support our artists.

The Matilda St Gallery is open Monday to Friday 9am-5pm, Saturday 9am-Noon. The exhibition runs until at least the 13th November, entry free.
